

TUESDAY NIGHT BIBLE STUDY SERIES

Issues Confronting
His Talmidim תלמידים

- *What were the issues Yeshua and His talmidim faced?*
- *What does it mean in a practical way to be a Messianic believer in the day in which we live?*

The nine teachings in this series cover challenging segments from eight New Covenant books, with five different authors. The teachings are generally based upon the concurrent New Covenant readings listed on the Rosh Pinah website: www.roshpinah.org. Each week different issues will be explored and discussed as we seek to grow in faith and usefulness within our community.
